

SPECIFIC PROCUREMENT NOTICE

Invitation for Prequalification

Republic of Liberia

Better Health Outcomes for Liberians (BEHOL)

Construction and Rehabilitation of Health Facilities

January 13, 2025

The Action Against Hunger has received grant from Agence Française de Développement ("AFD") towards the cost of the Better Health Outcomes for Liberians (BEHOL) Program and it intends to apply part of the funds of this grant for payments under the contract for Construction and Rehabilitation of selected Health Facilities. The Employer (Action Against Hunger) intends to prequalify firms for the Construction and Rehabilitation of Health Facilities. It is expected that invitations for bids will be made in March 2025.

Interested eligible Applicants are requested and encouraged to obtain further information from and inspect the prequalification documents at the Action Against Hunger Office (address below) from 9:00 AM – 4:00 PM on working days from January 14 – 30, 2025. A complete set of the prequalification documents in English can be obtained by interested Applicants on submission of a written application to the address below. The documents will be sent electronically to the applicant's email address.

Applications for prequalification should be submitted via the email address below or in sealed envelopes to the address below by **4:00 PM on February 3, 2025**, and marked "Application to Prequalify for Construction and Rehabilitation of Health Facilities".
